**MORE ABOUT THE COACHES**

**Arno van Wyk** specialises in cricket coaching, marketing and administration and has successfully completed various Sport Management courses.

As qualified Level 3 coach his dream came true in 2004 when he took charge of the most successful cricket academy in the Northern district, if not South Africa. He coaches on both primary and secondary school levels.

In 1997 he started his first Cricket academy at school level. Currently, over 85 schools country wide make use of his curriculum to expose young aspirant players to cricket.

In the last 18 years he has won 8 primary and 23 secondary schools NCU league championship trophies. Arno also did groundbreaking work by establishing the first "Technical Analyses Room" using advanced technology to detect errors in technique.

His combination of technology and coaching kicked up a storm and he was approached to do technical analyses with the senior South African Ladies Side and various provincial sides i.e. Northerns Nuffield u/19. In 2010 and 2015, Arno's Menlo 1<sup>st</sup> XI side was crowned national schools T20 champions.

Currently Arno is based at Menlopark High School in Pretoria in charge of 750 players taking part in all formats of the game. Arno concentrates on team coaching, dynamics, strategies and over-all preparation for school cricket seasons.

Camp Discovery is well known countrywide for its successful sport clinics and is proud to make use of Arno to take charge of our cricket clinics!

### **MORE ABOUT THE BOYS U/14 20/20 TOURNAMENT**

Every year, the challenge for schools to thoroughly prepare their cricketers through proper training, before the gruelling cricket season starts directly after the June/July holidays, increases. It is especially prominent in the u/14 age group where the lack of proper exposure to enough game time is every coach's nightmare. We at Camp Discovery would like to offer coaches a solution: a tournament consisting of an exciting format to the game, well suited to the performing cricket schools. We offer you the opportunity to prepare for the season, and gain exposure at an affordable price. Due to the fact that the u/14 league consists of 25 to 30 over innings, the T20 concept is the ideal preparation. This popular format of the game will definitely tests the players and put them under the necessary pressure to be well prepared for the season ahead.

The drawing of the matches will take place after the teams' arrival through a ballot.
