MORE ABOUT CAMP DISCOVERY

Camp Discovery and TuksNetball again present affordable netball clinics for u/9 – u/13 teams!

Camp Discovery is a 270 hectare game reserve, situated 60km north of Pretoria in the Dinokeng Conservation Area. A variety of game, bird and tree species are found here in typical bushveld habitat. Regular game drives are part of the program. Sightings include species like eland, giraffe, sable antelope, roan antelope, oryx antelope, waterbuck, red hartebeest, kudu, impala, blue wildebeest, springbuck, reedbuck, bushbuck, zebra, nyala, duiker, steenbuck and warthog. We also breed with golden gnu and black impala.

Our facilities and facilitators are of excellent quality. Activities that add value to the program are amongst others cycling, archery, obstacle courses and our excellent menu!

The program offers professional coaching during the morning sessions as well as teambuilding activities. Matches take place in the afternoons. Camp Discovery strives to make a difference in the life of every child that visits us and therefore we offer the player more than just coaching and matches.
